Licence Application FORM A

To be completed by all licence applicants

The Data Protection Act 1998

"The Scottish Environment Protection Agency is responsible for maintaining and improving the environment and regulating environmental emissions. It has a duty to discharge its functions to protect and enhance the environment and to promote conservation and recreation.

The information provided will be processed by the Scottish Environment Protection Agency to deal with your application, to monitor compliance with the licence/permit/registration conditions, to process renewals, and for maintaining the relevant public register(s).

We may also process and/or disclose it in connection with the following:

offering/providing you with our literature/services relating to environmental affairs consulting with the public, public bodies and other organisations (e.g. Health and Safety Executive, Local Authorities, Emergency Services, Scottish Executive) on environmental issues carrying out statistical analysis, research and development on environmental issues providing public register information to enquirers investigating possible breaches of environmental law and taking any resulting action. preventing breaches of environmental law assessing customer service satisfaction and improving our service.

We may pass it on to our agents/representatives to do these things on our behalf

You should ensure that any persons named on this form are informed of the contents of this Data Protection Notice

SEPA application forms: General Guidance

You should read the "Guide for Applicants" before completing this licence application form. Form A and the guidance below are for all licence applicants. Additional regime

specific guidance is listed in the "Guide for Applicants". The regime specific forms available for use are: Form B (General Point Source Discharges, excluding Fish Farm discharges and discharges of Sheep Dip to Land), Form C (Fish Farm discharges), Form D (Abstraction and Impoundment of water), Form E (Engineering Works) and Form F (discharges of Sheep Dip to Land).

Making changes to a licence

Variations

Application Form G should be used for any application for an administrative or technical variation to a licence.

Transfer

Application Form H should be used for any application to transfer a licence in whole or in part to a different responsible person. No other forms need to be completed.

Surrender

Application Form I should be used for any application to surrender a licence in whole or in part. No other forms need to be completed.

Who signs the application?

If you are making an application on your own behalf and you are the Responsible Person, then you should sign the application form. If the application is being made on behalf of a company, partnership or other organisation which will be the "Responsible Person", then the person who signs the declaration at the end of the form should have the authority to sign the application on behalf of that organisation.

For more guidance on 'Responsible Person' please see the "Guide for Applicants".

Where to send your application See Registry office details at the end of this form.

What happens when we get your application?

We will check through the application to make sure that it is complete and that SEPA has all the information it requires.

We may contact you for further information and depending on the type of application this may be via telephone, letter or in some cases a formal notice.

In cases where further relevant information has to be gathered before a decision can be made on an application, there may be an additional charge, to cover the cost of SEPA acquiring the data but this will always be subject to prior agreement. Poor quality information may result in your application being delayed.

Processing your Application

SEPA aims to determine all applications within the statutory period of 4 months. This may be extended in particularly complex cases or where the application is deficient in information but this will only be done in consultation with you.

Disclosure of the information you give us in your application

There may be other interested parties who have to be consulted about your application. SEPA will require significant activities to be advertised in the press for which the applicant must pay. (See further guide on consultation and advertising).

Please read the data protection notice on the front sheet of this form which explains how we will use information given to us.

SEPA's full service charter may be viewed from the SEPA web site www.SEPA.org.uk

SEPA does not control flood risk through CAR. See [Flood Risk Standing Advice](#) for information on possible flood risk impacts from engineering, impoundment and discharge activities.
