

**Modular Application for PERMIT of
RADIOACTIVE SUBSTANCES ACTIVITIES
Not involving Sealed Sources
Under the
Environmental Authorisations (Scotland) Regulations 2018**

This form is **only** for permits relating to **unsealed radioactive material and radioactive waste**.

You must use this form to:

- **APPLY FOR A NEW PERMIT**
- **VARY THE CONDITIONS OR LIMITS OF AN EXISTING PERMIT**

Further information on what type of authorisation you require for your radioactive substances activity can be found in the *Radioactive Substances Authorisation Guide* available on the SEPA [website](#).

Applications for transfers, surrenders and sealed sources are available on the SEPA [website](#).

SEPA will attach a number of standard conditions to your permit, depending on what you have applied for. We would recommend that you read the suite of standard conditions before you apply. They can be obtained on SEPA's [website](#)

If you feel that a section of standard conditions will not be suitable for your activity, please indicate what changes you think are necessary. SEPA may issue bespoke conditions.

All reference notes in this form relate to the Modular Application Form Guidance available on the SEPA [website](#). We encourage you to read the guidance when completing this form.

Any personal data that you have been asked to provide on this form and as part of this application process will be held and processed in accordance with SEPA's Privacy notice, available on SEPA's website.
